MAIN PACKAGE 600

PK-MAIN-802-600

Integrated UL508A Panel w/ 6 Contactors

Advanced horticultural control system

10 pilot relay outputs for low voltage devices

6 contactor (3-poles, 18Amp) outputs for turning on high voltage equipment

Air Temperature & Humidity Sensor

Measures temperature and humidity for accurate controls, 100 ft. cable included

Weather Station (FOR MAIN PACKAGE ONLY)

Outside temperature, humidity, light (W/m2), rain, wind speed and direction

Ridge vent protection, 50 ft. cable included

MADE IN USA

$7,782

Price is subject to change

16 OUTPUT PEARL SYSTEM

ALT PACKAGE 600

PK-ALT-802-600

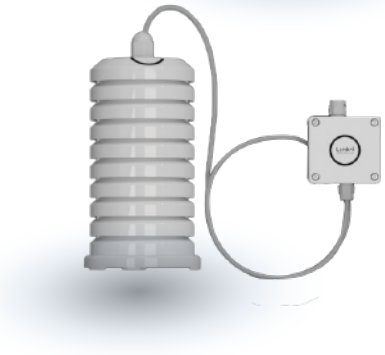
Integrated UL508A Panel w/ 6 Contactors

Advanced horticultural control system

10 pilot relay outputs for low voltage devices

6 contactor (3-poles, 18Amp) outputs for turning on high voltage equipment

Air Temperature & Humidity Sensor



Measures temperature and humidity for accurate controls, 100 ft. cable included

Weather Station (Not Needed for ALT Package)

Use weather station data from Main System

50 ft. communication cable included

MADE IN USA

$5,676

Price is subject to change

MAIN PACKAGE 600
PK-MAIN-802-600

ALT PACKAGE 600
PK-ALT-802-600

MADE IN USA

MAIN PACKAGE 600 DRAWING

PK-MAIN-802-600D

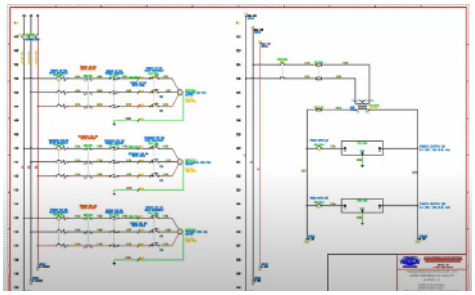
Integrated UL508A Panel w/ 6 Contactors

Advanced horticultural control system

10 pilot relay outputs for low voltage devices

6 contactor (3-poles, 18Amp) outputs for turning on high voltage equipment

Shop drawing for easy installation



Air Temperature & Humidity Sensor

Measures temperature and humidity for accurate controls, 100 ft. cable included

Weather Station (FOR MAIN PACKAGE ONLY)

Outside temperature, humidity, light (W/m2), rain, wind speed and direction

Ridge vent protection, 50 ft. cable included

MADE IN USA

$8,667

Price is subject to change

16 OUTPUT PEARL SYSTEM

ALT PACKAGE 600 DRAWING

PK-ALT-802-600D

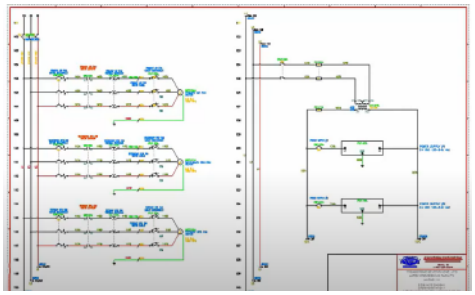
Integrated UL508A Panel w/ 6 Contactors

Advanced horticultural control system

10 pilot relay outputs for low voltage devices

6 contactor (3-poles, 18Amp) outputs for turning on high voltage equipment

Shop drawing for easy installation



Air Temperature & Humidity Sensor

Measures temperature and humidity for accurate controls, 100 ft. cable included

Weather Station (Not Needed for ALT Package)

Use weather station data from Main System

50 ft. communication cable included

MADE IN USA

$6,561
