PEARL PRIME

Horticultural Environmental Control System

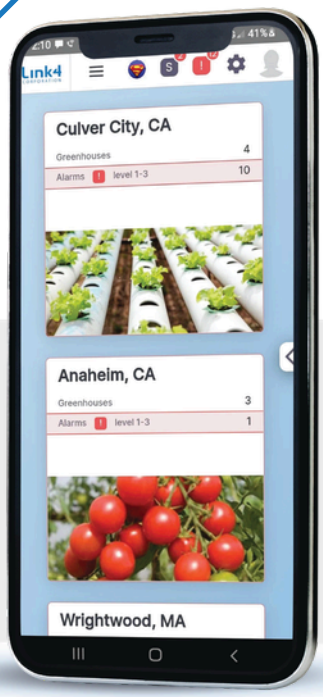
link4controls.com

MAKE GROWING EASIER

The Pearl Prime is easy to set up. All systems purchased from Link4 can be equipped with drawings, videos, and documents to guide installers and end users.

The integrated cloud makes system setup easy, with professional advanced features such as group programming and settings save and restore.

Deployable in a preconfigured, off-the-shelf enclosure to minimize wire runs and installation costs.



Getting Started

- Easy enough to install yourself or through a local electrician
- Backed by Link4's proven commercial Pearl control platform

Cloud Connectivity

More than just a hardware interface, our cloud is secure, industry-leading design offers real-time alarm management, full audit log, context-based multimedia grow journal, advanced graphing, task management, documentation tracking, user-controlled dashboard, advanced third-party access, context-sensitive help, and much more!
